News

EuroDIG 2016 in Brussels – Balancing politics, policy and tech
2016-06-15 **NEWS**
On 5-10 June 2016, the annual Pan-European dialogue on Internet governance (EuroDIG) was held in Brussels, Belgium. EuroDIG is “an open platform for informal and inclusive discussions on public policy issues related to Internet Governance (IG)”. This year’s edition was hosted by EURid, the registry for .eu.

Recounting the story of the CENTR R&D Working Group: Why? When? How?
2016-06-06 **NEWS**
By Mohsen Souissi (AFNIC) - Back in Summer 2009, I got an email from Staffan Hagnell (Head of R&D at IIS) where he expressed the desire for an informal meeting between our respective R&D teams.

Registrar Access to Registry	

Education

- Experienced need for basic Internet training
- Provided training to over 200 people dealing with Internet policy and IG related issues (since March 2015)
- Contributed to EuroDIG with technical training
- Who else does this?
- How can we cooperate?

Thank you
