

## Overview of Dublin sessions related to CWG, CCWG and ICG

Listed below you will find an overview of all the ccNSO scheduled sessions to date relating to the Proposal of the cross-community working groups to Enhance ICANN Accountability and the IANA Stewardship transition process. The schedule may be updated closer to the meeting, please consult the ccNSO agenda for the latest update: <http://ccnso.icann.org/meetings/dublin54/agenda.htm> .

If you are not attending the Dublin meeting in person, and want to participate, you are invited to join through the remote participation tools available ( ADOBE room). The details will be shared once they are available.

For other meetings on the CCWG please consult the overall Dublin meetings agenda: <https://meetings.icann.org/en/dublin54/schedule-full>
