Membership

Are You a member of ICANN's Country Code Name Supporting Organization (ccNSO)?

15 responses

- Yes
- No

73.3%

26.7%

If you are a member of the ccNSO, are you subscribed to the mailing list ccnso-members@icann.org?

14 responses

Legend:
- Yes
- No
- Do Not Know

21.4%

78.6%

If you are not a ccNSO member, what is the reason for this?

3 responses

Each country have one member, and .eg is a member in ccNSO

Delay from our side.

i have no information about it yet

Mailing List Subscription

## Are you subscribed to the ccTLD community email list? Charter: https://ccnso.icann.org/en/resources/cctld-community-list.htm?

15 responses

Regional TLD Organizations

3. Are you a member of any regional ccTLD organizations (Check all that apply)?

15 responses

## If you are not a member of any TLD Organization, what is the reason?

2 responses

I have already too many memberships

willing to join in near future

Engagement with the ccNSO

How do you stay informed of the ccNSO (Check all that apply)?

15 responses

Through the…	5 (33.3%)
I follow the c…	2 (13.3%)
Through the…	13 (86.7%)
I regularly att…	8 (53.3%)
Via the regio…	1 (6.7%)
Other means	0 (0%)

If one of your selections was "Other Means", what are these other means?
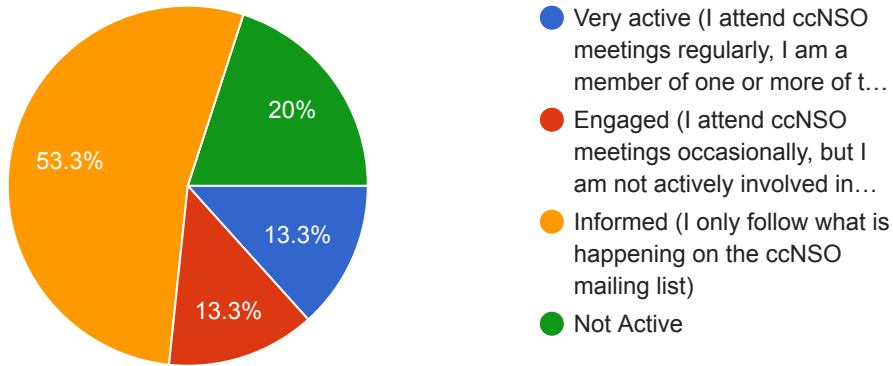

0 responses

No responses yet for this question.

Webinars

8. Are you interested in dedicated webinars?

15 responses

- 60% Yes
- 40% No

If YES, please specify the topics you'd like to see covered

9 responses

dnssec, internet governance, policy

Polices

How to promote the ccTLD and IDN locally , ways and ideas to increase the registrations

geographic names, cctlds retirement

Security, NewgTLD, Diversity, Accountability

Each of topics selected previously

related to management of TLDs, Policy or technical

I like especially the DNSSEC topics because it's cover all domain name security .

DNSSEC, Security, promoting registrations under ccTLD

ccNSO Services

9. Does the ccNSO provide the services you need?

15 responses

● Yes
● No

20%

80%

If NO, please specify?

3 responses

Actually I'm neutral on this, it is not yes and not no as we are not active

Issue best practice reports and benchmarks with other Registries

not active yet in CCNSO to judge.

ICANN Help

Can ICANN staff help you with anything?

15 responses

Thank you (2)

yes (2)

no thanks

we are receiving ICANN staff help whenever is needed and I think this will continue

I noted that Wiki pages of ccnso WGs and webinars misses previous meetings notes and recording

Yes :)

By Allowing ccNSO to have an IDN country member beside ascii one

Yes! get translate in all session and webside

More webinars

thanks but none at this time.

There are usually helpful. Currently I have nothing specific.

yes, in all matters we faces till now

organization of more regional events (in AFRICA)
