16. AOB
    The Chair of the ccNSO Council reminded all to register for the Trends Session conducted by ICANN Org. This exercise was previously done in Panama.
    Also, reminding Council about the email from Keith Drazek on their activities in DNS abuse, inviting the ccNSO to participate in this discussion.
    Nick Wenban Smith added each (cc) has their own approach to abuse in terms of definitions, mitigation, how to measure [etc.]. On how to participate, given that each creates their own policies, one way is to educate the communities, then secondly, showcase how good the ccTLDs are versus the gTLDs (in terms of having proportionate and effective ways to mitigate abuse).
    Jordan Carter stated the ccNSO should start by having an open call to see if there is any interest in an informal group.
    Stephen Deerhake added he was not convinced a working group was necessary, but rather have a liaison-type role.
    Alejandra Reynoso stated she believes a committee is a good idea.
    
    **Action Item 169-07:**
    In response to the email from Keith Drazek and DNS abuse activities, provide/create information for the community and possible formation of an informal discussion group
