Dear Sally

I have been advised to write to you to seek the translation of the written ccNSO course on the ICANN Learn portal into all ICANN languages (Course name - Onboarding: Country Code Names Supporting Organization (ccNSO)).

In their final report the Independent Reviewer of the ccNSO recommends the ccNSO Council to request ICANN to translate the aforementioned course in all ICANN languages (Recommendation #8, <https://www.icann.org/en/system/files/files/ccnso-review-assessment-recs-final-29aug19-en.pdf>).

Please let me know if I should request the translation to someone else.

Thank you on behalf of the ccNSO Council, and best regards,  
Alejandra Reynoso  
Chair
