The EC Administration is the administrative body through which the Decisional Participants act collectively.
Overview of EC and EC Administration

Empowered Community ("EC")

ALAC  Decisional Participant
ASO   Decisional Participant
ccNSO Decisional Participant
GAC   Decisional Participant
GNSO Decisional Participant

In representing a Decisional Participant on the EC Administration, the individual representative acts solely as directed by the represented Decisional Participant and in accordance with processes developed by such Decisional Participant.

In representing the EC Administration, the representatives act as required for the EC to follow the applicable procedures to exercise its rights.
Procedures Each Decisional Participant Needs to Adopt

- Who can submit a petition & process for submission
- How the Decisional Participant will determine whether to accept a petition
- How the Decisional Participant will determine whether an issue subject to petition has been resolved
- How the Decisional Participant determines whether to support, or object actions supported by another Decisional Participant
- How the Decisional Participant notifies its constituents of relevant matters
EC Administration Actions

- Receives and sends notifications
- Moderates conference calls and community forums
- Tallies decisions of Decisional Participants
- Mediation
  - Appoints representatives to represent the Empowered Community in mediation ("Mediation Admin")
  - Selects slate of 5 potential mediators from Mediation Admin and Board Mediation Representatives

NOTE: The EC Administration is not responsible for monitoring activities, and only needs to act when notified by either ICANN org, or a Decisional Participant.
