

## Working Group Members

Since the ICANN meeting in Sydney, the working group has been working in the following structure:

- Chair: Ondrej Filip, .cz
- Members: Eric Akumiah, AfTLD  
Hiro Hotta, .jp  
Erick Iriarte, LACTLD  
Juhani Juselius, .fi  
Young-Eum Lee, .kr  
Vika Mpisane, .za  
Ramesh Kumar Nadarajah, APTLD  
Patricio Poblete, .cl
- Support: Gabriella Schitteck, ICANN staff

## Meetings

Since the last report, the WG had 1 physical meeting (in Sydney) and 4 telephone conferences. Between the calls the working group member communicated in the mailing list. WG consulted its output with ccNSO council chairman.

## Work done

The main goal of the WG was to improve the preparation system and the format developed for Sydney meeting. The working group worked on the following issues:

- Analysis of feedback from Sydney meeting
- Early agenda publishing
- New topics
- Agenda flexibility
- Short update sessions
- Session leader (chairpersons) appointment
- Feedback/rating system
- New format of WG reporting
- Actual topics added:
  - JPA session
  - Wildcard session
- Preliminary preparation of Nairobi meetings
