

Report on Extraordinary Nomination Period to the ccNSO Council for the North American Region 2 – 9 June 2010

Keith Drazek, who was elected to serve on the ccNSO Council from March 2010 – March 2013, resigned from his post at NeuStar at the end of May 2010. Consequently he also resigned from the ccNSO Council.

In order to fill his seat, an extraordinary nomination period had to be initiated.

Gabriella Schitteck was appointed as Nomination Manager. She presented a suggested nomination timeline to the Council, which received approval.

All four North American ccNSO members (.ca, .pr, .us, .vi) were informed via email about how to submit a nomination and the timeline for this. The persons contacted were those listed as primary contact in the ccNSO Members Database.

The call for nominations started on the 2nd June 2010 at 00.00 UTC and ended on the 9th June 2010 at 00.00 UTC.

Fernando Espana (.us) received one nomination by Byron Holland, .ca. The nomination was seconded by Dotty Sparks de Blanc (.vi). See nomination archives at <http://forum.icann.org/lists/ccnso-nominations>

No other nominations were submitted and therefore no election process needed to be initiated.

Fernando Espana is therewith appointed as the new ccNSO Councillor for the North American region. His term expires in March 2013.
