

.CV Joins as Newest Member of the ccNSO

The Council of the country code Names Supporting Organisation (ccNSO) today approved the Agência Nacional das Comunicações (ANAC), the ccTLD operator of .cv (Cape Verde), as a new ccNSO member.

The ccNSO, which is ICANN's policy development body for ccTLD issues, now numbers 108 members, all of them country code Top Level Domain operators from around the world. ccNSO membership has grown rapidly during recent years. Since the beginning of 2010, eight new members have been approved.

The ccNSO warmly welcomes .cv to its membership and looks forward to a fruitful collaboration.
