6) 27th August 2013 – Joint ALAC ccNSO Meeting at ICANN 48 in Buenos Aires

[At the August 27th ALAC Meeting, the ccNSO invitation to a joint Meeting of ALAC / ccNSO at the ICANN 48 in BA, was discussed. [snip] It was suggested that the Prep Group to plan and prepare such a meeting should include Liaisons (Cheryl Langdon Orr and Ron Sherwood) plus a VC from each constituency and a staff member from each constituency (possibly Heidi Ullrich and Bart Boswinkel).

It was also suggested that the “Prep Group” determine what items of common interest would be included in an agenda for the joint meeting; whether the meeting participants would be representatives of the two communities, or would all community members be invited; and the possible day and time for the joint meeting.]

Please see addendum below for an update on item 6)

Respectfully submitted

*Hi Cheryl, Ron and Bart,*

*As discussed during today’s ExCom meeting, the two options for the ALAC meeting with the ccNSO are (from the ALAC side):*

*Tuesday, 19 November\n12:30-13:30 – Working lunch – just ExCom + liaisons and ccNSO leadership?*

*Wednesday, 19 November\n16:30-17:15 – during ALAC Policy Session Part II*

*Could you please let me know what you think the best option might be?*

*Kind regards,*

*Heidi*

On September 25th Cheryl Langdon Orr Responded:
