Subject: Revised questionnaire and cover letter

Chris

Pls see attached new version of the questionnaire and the cover letter. We would like to seek this information from ccTLD registries of 30 countries:

Countries for the case study: Korea, China, France, Brazil, Egypt, Kenya, Senegal, Russia

Countries to collect data:

Canada, Australia, Greece, Italy, Mozambique, Ghana, Sierra Leon, Tunisia, Morocco, South Africa, Japan, India, Bangladesh, Nepal, Iran, Argentina, Uruguay, Mexico, Chile, Latvia, Georgia, Ukraine

We are planning also send out the same questionnaire to ISOC chapters in those countries in order to cross-check information

received.

If you could give me the list of names and e-mails whom I could send this request, I would do it myself.

Thanks again and hope to talk to you tomorrow.

Cheers and have fun with GAC

JK
