1 Apologies

Apologies for the meeting were noted from Carolina Aguerre, Hiro Hotta, Patrick Myles and Abibu Ntahigiye.

2 Minutes and Actions

The Chair asked for comments or questions to the minutes from 11 December 2014. No comments were noted and the minutes were approved. Kristina Nordstrom noted one outstanding action item from the previous call:

*Action 101-06:*
Becky Burr to forward the Draft Principles for Joint Working Groups to the ccNSO Council. The Secretariat noted that Becky would be reminded about her action item.

3 Update CCWG Internet Governance

The Chair reported that Jordan Carter was not available for the call but that he would provide a written update to the Council list. He further noted that this group had become rather active.

4 Update Progress IANA Stewardship Transition Process

4.1 Update CWG

The Chair reported that Lise Fuhr was not available to provide an update since a CWG call was held in parallel with the Council call, but that Lise would provide a written update to the Council. He noted that the CWG had lately been working intensely to come up with a proposal for the naming community.

The Chair noted that very few submissions to the CWG proposal had been provided from the ccTLD community and the Regional Organisations and that discussions would follow on how to make the community more active.

The Chair further noted that he would like to invite the co-chairs of the CWG and CCWG Accountability to the Council Workshop in order to receive more information and discuss how the Council can decide on the upcoming proposals. This was agreed and the Chair asked the Secretariat to prepare such a session for the Council Workshop.

*Action 102-01:*
The Secretariat to prepare a session for the Council Workshop with the co-chairs of the CWG and CCWG Accountability and amend the Workshop agenda accordingly.

4.2 Update ICG

Keith Davidson reported that the ICG had met frequently via telephone and that an open meeting would be held in Singapore. He also noted that the ICG had now selected its
secretariat and that the group is working with the CWG to adjust the deadline for the naming community proposal.

4.3 Update ISTACC

The Chair reported that the ISTACC group had a call the week before to among other issues discuss the linkage between the working groups dealing with the IANA stewardship transition and accountability processes and the level of automation for the IANA function.

The Chair also expressed concern about the lack of participation within the ccTLD community regarding the stewardship transition and accountability issues.

5 Accountability Process

5.1 Update Accountability Process

The Chair noted that Mathieu Weill was not able to attend the meeting and asked Thomas Rickert to provide a brief update in his place.

Thomas reported that a statement on the face-to-face meeting in Frankfurt would be published shortly. He also noted that the CCWG had divided its work into subgroups and that an inventory on presented issues had been made and gathered in a list to make sure all areas are covered. Thomas further reported that the CCWG would continue to work on the distinction between issues for Workstream 1, which would include issues that need to be addressed prior to the IANA stewardship transition and Workstream 2 which would include issues that could wait until after the transition.

6 Appointment of Members Review Guidelines Committee

The Chair noted that the ccNSO Council had adopted the charter of the ccNSO Guideline Review Committee (GRC) at its meeting on 11 December and that several people had put their names forward to participate in the group.

Resolution 102-01:
1. The ccNSO Council appoints the following volunteers as members of the Review Guideline Committee:
   - Lesley Cowley, Councillor
   - Nelson Juarez, .ni
   - Daniel Kalchev, .bg
   - Katrina Sataki, .lv
   - Eduardo Santoyo, .co
   - Margarita Valdes, .cl

The Secretariat is requested to inform the nominees and update the relevant webpage accordingly.

2. The ccNSO Council appoints Katrina Sataki, as chair of the Review Guideline Committee.
The resolution was approved unanimously.

*Action 102-02:*
The Secretariat to inform the Review Guideline Committee nominees about their appointment and to update the ccNSO website accordingly.

**7 Appointment Members of ccNSO Internet Governance Coordination Committee**

The Chair noted that the ccNSO appointed members of the CCWG IG are ex-officio member of the Internet Governance Coordination Committee.

In addition Maureen Hilyard, ALAC appointed liaison, had put her name forward.

*Resolution 102-02:*
1. The ccNSO Council appoints the following members as members of the ccNSO Internet Governance Coordination Committee:
   - Carolina Aguerre, LACTLD (Observer);
   - Dina Beer, .il;
   - Nina Elser, CENTR (Observer);
   - Toilem Poirot Godwin, .ke;
   - Govind, .in;
   - Ali Hadji Mmadi, .km;
   - Giovanni Seppia, .eu;

The Secretariat is requested to inform the nominees and update the relevant webpage accordingly.

2. The ccNSO Council appoints Maureen Hilyard as observer to the ccNSO Internet Governance Coordination Committee.

The resolution was approved unanimously.

*Action 102-03:*
The Secretariat to provide the ccTLD community with an overview of the name collision issue in order to prepare for discussions with ICANN.

**8 a Name Collision Issue**

The Chair noted that the issue of name collision is discussed broadly within ICANN and that it would be good for the ccTLD community to be aware of those discussions. He asked the Secretariat to provide the community with an overview of the information shared on this topic to date, in order for members to be able to discuss the matter with ICANN.

*Action 102-04:*
The Secretariat to provide the ccTLD community with an overview of the name collision issue in order to prepare for discussions with ICANN.
8 b Board Risk Committee Request for Feedback on Top 5 ICANN Enterprise Risks

The Chair explained that the Board Risk Committee had requested the ccNSO Council to identify what it believes are the top five enterprise-wide risks to ICANN and to provide a response by 5 February 2015. He noted that one way forward would be to ask the SOP Working Group to provide the Council with this list, considering how well acquainted the group is with ICANN strategy.

Nigel Roberts further suggested that in addition the ccTLD community could be consulted a whole. This was agreed.

**Action 102-05:**
The Chair to ask the SOP Working Group to provide a list of its selection of the top five enterprise-wide risks to ICANN prior to 5 February 2015.

**Action 102-06**
The Secretariat to send a request to the ccTLD community for input on the top five enterprise-wide risks to ICANN prior to 5 February 2015.

9 Council Schedule Singapore Meeting

9.1 Council Workshop, Sunday 8 February 10.00-14.00 SGT

The Chair presented the topics for the ccNSO Workshop on Sunday in Singapore:

Becky Bur reported that the group is currently not very active but will probably pick up its work again after the Singapore meeting.

11.2 SECIR Update

Gabriella Schittek reported that the goal of the SECIR Working Group is to set up a secure email list called ops-trust which will be hosted by OARC, and that an interim list is being used until the full system can be set up, which would be organized by a second working group on this topic. She also noted that an update would be provided in Singapore on the progress of this project.

11.3 Other Updates

No other updates were noted.

12 Liaison Updates

The Chair reminded the Council about the written GNSO and ALAC liaison updates circulated on the Council email list.

13 Date of Next Meetings

The Chair presented the dates of the upcoming Council meetings:
14 AOB

The Chair noted that an ad-hoc group would be set up in order to support ccTLD IDNs and to provide input to the annual Fast Track Process Review. He asked the Secretariat to provide a statement of purpose for such a group to be used in an invitation to the ccTLD community to participate.

*Action 102-08:*
The Secretariat to provide a statement of purpose for an ad-hoc group to support ccTLD IDNs, to be used for inviting the ccTLD community to participate.

The meeting closed.
